Chrome ore presented by Mr.V.Sundaramurthy - Cartage charges.

My Dear Mr.Mehkri,

I am desired to refer to Mr.Kesavaiengar's demi-official letter No.Pol.651/41, dated the 16th October 1941.

2. Mr.Sundaramurthy was paid at the rate of Rs.5/8/- per ton for the 1100 tons carted in October 1941. The remaining 1100 tons are proposed to be carted now. Mr.Sundaramurthy represents that owing to the rise in the cost of petrol, oils and labour, the cost of carting will now come to Rs.7/- per ton. The Hon'ble the Resident would be grateful if the Government of Mysore could make confidential enquiries and say whether the rate now proposed is reasonable.

3. As it is proposed to pay the cartage charges in advance, will you kindly let me have your reply as soon as possible?

Yours sincerely,

My dear Mehkri,

I am desired to refer to your letter No.Pol.870, dated the 22nd October 1942.

2. Messrs.Manickavelu Limited represented that they were unable to cart the ore as serviceable lorries were not available at their disposal. Advance Headquarters, Southern Army, were therefore requested to assist in the matter, and they kindly agreed to provide 25 three ton lorries to cart the ore.

3. It has been suggested that Bhaktarahalli, which it is understood is about 15 miles from Tiptur railway station, might be the headquarters for the drivers, etc., and that tented accommodation might be provided for the personnel. The matter is being discussed between the military authorities and Messrs.Manickavelu Limited and details of the arrangements proposed to be made are awaited. In the meanwhile the Hon'ble the Resident would be glad to know whether the Government of Mysore have any objection to the establishment of the proposed temporary camp at Bhaktarahalli or any other suitable place that might be decided upon.
